For Your Information

Geography Bee
Congratulations to our school champion, Eladio Simental. Eladio will have the opportunity to take the qualifying state Geography Bee exam with the possibility of competing in the National Geography Bee. We are proud of all of our contestants

Conferences:
The format for our next set of conferences will be Tuesday and Thursday from 4:00-7:30 PM, **(no school Friday, 2-16)**
Teachers will be sending a time home soon and we ask that you do your very best to make those times work as rescheduling would be very difficult!

Answer any questions

INSIDE /OUTSIDE Sign:

Wondering if it is too cold for kids to be outside? If you pull up out front and see blue lights (blue for cold) illuminating the sign, that is your indicator to tell your kids to come on inside.

Dr. Seuss Family Night:

Save the date...March 1st from 5:30-7:00 in the Buchanan gym. A free book, pictures with family, bring a book to exchange, prizes to win, and selling pizza + much more! Come enjoy the fun!

NWEA Testing

We have finished our winter benchmark NWEA testing and in the process of finishing our mid-course Review of our SLO's. This helps teachers modify instruction according to data collected.
