ROYALTY CROWNING SPARKS HOMECOMING

Royalty Candidates Chosen By Vote

Candidates for Homecoming Queen and Marshal were nominated by the Senior Class at a special election. From the entire Senior Class list, these six girls received the most votes so will vie for the honor of reigning as Queen of the festivities: Cindy Cameron, Gail Garness, Diane Markwed, Carmen Roseth, Connie Woods and Jackie Zoller.

In a like manner, four boys were selected as candidates for Homecoming Marshal. They are: Gary Gage, Zenas Gurley, Larry Howard and Clayton Sonnenschein. The entire student body will vote on these candidates to select a Queen and her two attendants and a Marshal. The outcome of the election will be kept secret until Thursday evening's coronation.

Nine Teachers Join PHS Faculty

Nine new teachers have joined the staff at Riggs. Of these, Mrs. Margaret Brown is the only familiar face. Since she formerly taught in Junior High, she is known to many students at Riggs. Last year she took a leave of absence to complete work on her Bachelor's degree and has returned as our Senior High librarian.

New to the history department are Mr. David Rhefeld, Mr. Roger Lonbaken and Mr. Calvin Higgins. Mr. Rhefeld has a Master's degree in P. E. and has taught at the University of Colorado. He is teaching American History. Mr. Lonbaken has a B. S. degree from Valley City State Teachers College and is teaching American History and assisting in the office. Mr. Higgins attended Huron College and the College of Guam. He taught recently in Guam. At Riggs, his duties include American History, World History and a class in Problems.

The English Department also has three new faces. Mr. George Lindboe, with a Master of Science degree, is teaching four sections of Junior English and will also serve as advisor for the yearbook, the Gumbo. Mrs. Vespersia Pennington has taught recently at Midland and is teaching half days. Her schedule includes both English IV and the drama class. Mr. Larry Versteeg's main duty is as assistant band director, but he also teaches one class of English IV.

Mr. Ervin Erdelt, who comes here from North Dakota, taught most recently in McLaughlin. He teaches typing and bookkeeping.

Another half-day teacher is Mrs. Mary Lou Michalewicz in the Home Economics Department. She teaches three classes in Home Ec I.

All students at Riggs, along with the other faculty members, hope the coming year will be a pleasant and memorable one for all the new teachers.

OFTENTIMES, SEEING CAN MEAN BELIEVING

In all the utter confusion of your first weeks back in school, have you thought you were seeing double?

You weren't actually. It just happens that this year Riggs has five sets of twins: Duceys, Elliots, Lillibridges, Petersons and McQuys.

Teachers who have one set of twins in their classes may consider themselves lucky when it is brought to mind that Mr. Fjelstad got stuck with TWO sets of twins in his homeroom.

NEW CLUB ORGANIZED

The assistants in Riggs High Library have organized a Library Assistants' Club. This is the first year Riggs has had this club.

Officers were elected as follows; Dixie Barrett, President; LaDonna Oshel, Vice President; Judy Disburg, Secretary; Pam Brown, Treasurer; and Connie Nafus, Reporter.

STANDING (l. to r.) FRONT ROW, CARMEN ROSETH, JACQUI ZOLLER, CINDY CAMERON, CONNIE WOODS, DIANE MARKWED, AND GAIL GARNESS, THE QUEEN CANDIDATES; BACK ROW (l. to r.) LARRY HOWARD, GARY GAGE AND ZENAS GURLEY, THE MARSHAL CANDIDATES. NOT PICTURED, BUT ALSO A MARSHAL CANDIDATE, CLAYTON SONNENSCHNEIN.

Mayor Race Ends in Tie; 'Finke Wins By Hair'

John Finke began to serve his term in office as first semester Mayor of the 1963-64 school year after he and other members of the student council took their oath of office before the student body.

Those vying for the mayoralty included: Mary Athey, Richard Blair, John Finke, Gary Gage, Randy O'Neill, and Richard Saynor.

The first election ended in a runoff between O'Neill and Finke. Finke then became the Mayor after the second vote, winning over O'Neill by a very close margin.

YGOP'S Hold Convention

The YGOP's held their convention in Pierre September 6-7. It was the first time their convention had been held here in eight years. Acting as chairman was Joe Bottum III. Assisting with various parts of the program was the former advisor of the "Governor" and teacher of English, Mrs. Bottum.

Alumni Steve Burns and Jim Wosepka assisted greatly with the program. Both young men are affiliated with the YGOP organization of Hughes County.

Approximately 200 young people attended from all parts of the state. Those in attendance included Governor Gubbrud, Senator Muntz, Representative Reifel and Nebraska's Senator Hruska.

Kay Hamre and Robin Herther served at the Saturday morning breakfast at the Governor's Mansion for the YGOP women.

Paula Riter, former alumna, who was to represent Hughes County in the beauty contest, was detained in Vermillion and was unable to attend.

Pam Nelson of Sioux Falls became the new YGOP beauty queen of South Dakota.

HIPPLE SPEAKS ON MASS MEDIA, SOURCE OF LORE

Mr. George Hipple of the Capital Journal spoke to Mr. Pries' Problems' class September 13.

Mr. Hipple went into detail on the responsibilities newspapers have in printing news accurately. The progress made in newspaper style and printing was illustrated when newspapers printed in the late 1800's was shown. He discussed the caution editors must take in printing any news that might be libelous.

Assembly Programs Feature Lyceum

Assembly programs will have a new face this year. These programs will be sent from North Dakota State University of Fargo, as a part of the Lyceum Program.

Lyceum is the system of educational and inspirational lectures, concerts, and entertainments provided for the people by various Lyceum Bureaus throughout the United States.

Five programs will be presented to the student body in the course of the year. Each program features an outstanding talent in its respective field. All programs have been selected for their general appeal to student groups.

The first attraction on October 1 will be entitled, "Adventure;" on October 22, an acrobatic program; on November 7, vocal singing; on January 30, physical education activity; and on April 8, a science program.

The student body was charged an additional 25 cents on activity tickets this year to pay for the costs of the new programming.

Scheduling Done By IBM Machine

Increased enrollment of students necessitated the use of IBM machines to schedule the nearly 600 pupils in Pierre High School.

The machines at the Highway Department did much of the actual work for the project.

The rental cost of each machine is \$25 per hour. The actual computer time of the machines was four hours, paid by the Pierre Independent School District.

The time spent on the pilot project was approximately 56 man hours, but in the future it will be possible to reduce the same job to between 28 and 30 man hours.

This job takes Mr. Neiles about three weeks by conventional methods.

ARTS BEING OFFERED TO RIGGS STUDENTS

Two new courses being offered this year at Riggs are journalism and art. Art instructor is Mrs. Smith. The class is limited to 24 students. The class will cover many phases during the year, including printing, pastel, charcoal sketching, water color, tempera, paper mache and possibly clay work.

The journalism class is responsible in part for putting out the "Governor." Mrs. Myers is the instructor. This course offers writing experiences to help students prepare stories for the school paper.

This weekend Riggs High Governors will host the Lead Goldiggers for the 35th annual homecoming.

Minnesosho royalty will be introduced Thursday night. The coronation will be followed by a display of school spirit, the pep rally, a shortened version of the snake dance, and the burning of the letters PHS.

Friday's activities will be touched off by the parade featuring many beautiful and colorful floats from various homerooms in both Senior and Junior High.

The highlight of the homecoming festivities will be the game Friday night with the Lead Goldiggers. The royalty will be introduced to the fans and winning floats from the afternoon parade will be presented.

The Minnesosho Day activities will be brought to a close Friday evening with a dance at Riggs High Gym. The dance will provide entertainment for the visiting alumni and Senior High students.

Homecoming today greatly differs from that in the past. Today, the homecoming event plays a much larger part in the school year, being one of the biggest events of the year. School spirit runs high with all students during the two-day homecoming.

The traditional costume was not used until 1947. Up until this date the Queen was dressed in a green cape, slacks, jacket, and a simple gold crown.

Minnesosho Queen of today wears a simple, straight Indian dress of soft brown with a fringe trim. The girl selected as Queen is further adorned with a lovely feather headdress as a crown and an authentic bead collar loaned through the courtesy of the Cudmore family. Head bands, moccasins and Indian blankets complete each girl's ensemble.

The Marshal is resplendent in a leather scout suit, an heirloom in the Paddy Holm family. The three other Marshal candidates wear leather jackets, tan pants, and moccasins. The Marshal also wears a feather headdress.

The Master of Ceremonies for the Minnesosho Day activities will be the school mayor, John Finke. He will introduce the Queen and Marshall to the students and adults and present gifts to the royalty. The Queen will also receive a beautiful bouquet.

Students Enjoy Summer Sports

This summer's recreational program set up by Don Kortan, Karen Thode, Mrs. Bown, Jean Garrett and Janet Stevens was enjoyed by boys and girls alike. Don's assistants were Paul Sherburne, Zenas Gurley and Lyle Stuart; Karen's assistants: Gail Garness, Ruth Jassman, Ruth Filmore and Nancy Neiber. All aided in arranging a suitable program.

Boys' activities consisted of baseball and track. The Juniors played 18 games, winning nine and losing nine. Teams they played included Aberdeen, Rapid City, Mobridge, Huron, Chamberlain, Winner and Gregory.

The girls enjoyed games of tennis, volleyball, badminton, softball and track. They played Faulkton, winning all four games; Rapid City, three games, losing all three.

Arrangements were scheduled for a special event every Friday. A treasure hunt was in order for the first Friday with everyone receiving a prize. The second Friday the participants toured La Framboise Island on bicycles. A swimming party was held the third Friday at the Municipal Swimming Pool. Events similar to these continued throughout the summer.

Martha Ackerman won the tennis tournament, which was the last event to take place before the school year resumed again.

Notes From Us - Your Editors

Have A 'Ball' Safely on Homecoming

As Homecoming, one of the most celebrated events of the school year, is upon the student body of Riggs, rarely has there been anybody not engrossed in the activity and the thrill of preparing for Homecoming during the past few weeks.

We are reminded oftentimes of the work that goes along with festivities of this sort -- but do we ever think of the VALUE of such things??? Many times one can hear groans and moans about "Why must I be forced to do this?" or "How come we have to help anyway?" but after the big part each individual plays in such a function and the comments later heard from proud parents, school faculty, and the community, isn't it worth the effort we put forth? From being able to participate and help in functions of this kind, we, the students, gain valuable experience in cooperating with one another, taking criticism from those in the 'driver's seat', and still gaining the traits necessary to be good leaders. As we perform in more activities we certainly advance ourselves to becoming adults and accepting the responsibilities which are almost a pre-requisite.

Since Homecoming is one of the 'fun' activities, the student body really seems to be enjoying themselves. But why mar an activity of this capacity like THAT by inconsideration for others and pleasure for yourself for maybe a few minutes when later it spells T-R-O-U-B-L-E and U-N-H-A-P-P-I-N-E-S-S for all in the end???

The activities planned for the weekend are many and varied. Kicking off the BIG weekend will be the crowning of Homecoming Royalty on Thursday evening, followed by the snake dance and the burning of the letters PHS. Friday will be highlighted by the illustrious parade displaying all the floats built and the ingenuity of the students who participated. Then on Friday evening, the Governors will be making their stand against the Goldiggers of Lead in the football tilt which promises to be a thriller. It would be most fitting and appropriate to see the student body out in full force CHEERING our team on to victory. After the game, a dance will be held in the gym at Riggs to wind up the weekend.

So, with all these activities planned, let's try to be energetic in these and other areas of recreation and forget about being mischievous and daring. Such devilments as initiation of the sophomores and rough play in general should be limited. As the years have progressed, the behavior of the students concerning this so-called "fun" has improved greatly. Let's really make Homecoming of this school year BEST in spirit and behavior and still have a Ball!!!!

Where's Your Book?

"But Mrs. Myers, I just didn't have time to get to the library last night, so how can I read my book during this hour?" Do these words sound very familiar? Chances are they do. Maybe you have even caught yourself saying them.

There is a way, however, that we can help this poor student. That is by getting a new paperback book store at the school. Just think of the world of good it would do. Whenever you are sitting in study hall with absolutely nothing to do, you could check out and go to the book store and buy a book. Once you have bought your book, you don't have to worry about getting it back on a certain day or paying a fine for having it overdue. Can you think of any better way in which to start your own home library at such a low cost? You could buy almost any book you want anywhere from 35¢ to 75¢ a book.

Book stores have been run successfully in other schools. The students in charge each period gain valuable experience and the entire student body has access to many good books at a nominal cost. The proceeds may be used for some worthwhile project. Seems like just the thing for Riggs High.

Teachers Travel U. S. During Summer

Mrs. Ruzick spent the first part of her summer vacation at home; then went to California to pick up Mr. Ruzick. They then visited their son, Sam, Jr., and Don Madison, who were at Fort Ord, Calif.

Summer Enjoyed By Students

The summer is over and school has resumed again but we all have memories of the last few months. Some unusual experiences the students had are:

ALYCE DOREN (Editor of the Governor) and CONNIE WOODS (Editor of the Gumbo) attended a workshop in Journalism at SDSC for a week. Also, both were candidates for Cowboy Sweetheart (of the Pierre Cowboys) with ALYCE carrying away the honors.

GAIL GARNESSE attended a Girl Scout Roundup in Maryland.

PEGGY WULFF went to a Girl Scout Roundup in Tennessee.

KATHI LIVINGSTON toured Europe with her brother and his family.

JO ANN TUCKER became engaged to Steve Thomas. She also visited a Dude Ranch in Nebraska.

LINDA RIDGEWAY went to Denver to visit Robin Woodward.

ALICE HEIM worked as an operator for Northwestern Bell Telephone Co.

RITA WHETSTINE fell off the spillway at Mitchell.

NANCY GILLIS, BECKY MYERS and CHERYL HINSEY went to Minneapolis to shop. While there, they saw "Cleopatra."

ROBIN HERTHER attended a Speech Institute at the University of south Dakota in Vermillion.

NANCY GROSE visited her sister and family in Mobile, Ala.

DALE McDOWELL went to Denver, Colo., to visit friends.

DIXIE BARRETT attended a Yankee-Twin ball game in Minneapolis and spent a week at her uncle's ski resort.

LINDA HUGHES traveled to Michigan and visited the University of Michigan and saw "Lawrence of Arabia."

PAM BROWN lived in the Black Hills the entire summer.

TERRI TELFORD visited her sister in Denver.

HARLOWE HYDE took first in the City Tennis Tournament and DON BOYD took second.

DIANE MARKWED went to Mexico and had a proposal from a Mexican stranger while walking down the street.

Pierre Drubs O'Gorman

Pierre threw up a short defense and a strong offense for their first win and sent O'Gorman to their third straight defeat.

Pierre scored in the second and third quarters with Zenas Gurley going in from ten yards out. Also in the second quarter, Jim Flannery scampered in from six yards out. In the third quarter, Gurley hit Clayton Sonnenschein for a seven-yard tally and Gaylord Sonnenschein kicked. Pierre's last tally came when 216-pound tackle Charlie Walker picked off an O'Gorman pass and raced fifteen yards to score.

Pierre had to set up a stout defense when O'Gorman, with the aid of a good pass, pushed to the Pierre five-yard line, but a riled up line pushed O'Gorman back until time ran out.

Pierre Boots Chances at Mitchell

Pierre let the game with Mitchell slip through its fingers 12-7 Friday, the 13th.

The Governors fumbled twice in the second quarter setting up both Mitchell touchdowns. Both were scored by Mitchell fullback, Tom Flynn.

Clayton Sonnenschein scored all of the Governor's points in the third quarter, scoring from the eleven-yard line and booting the extra point.

The Governors' final serious threat was stopped by a long penalty in the fourth quarter.

R. Jacobs Paces Cross Country Squad

The Governor's Cross Country team starts the season September 27 when they journey to Rapid City. The Governors host a meet at the Pierre Country Club October 9. The following week, the Governors travel to the State Meet in Brookings where competition then begins.

Boys out for Cross Country are Dan Hauschild, Roger Jacobs, Byrom Strom, Ron Huber, David Hauschild, Jan Fladeboe and Bruce Bad Moccasin.

Dan Hauschild and Roger Jacobs are returning members from last year's squad.

Quarterback Club Awards Certificates

Senior Guard Galen Theobald and Senior Tackle Larry Howard were selected offensive and defensive "Player of the Week" respectively by the Riggs High School coaching staff and the Pierre Quarterback Club.

* * * * *

Clayton Sonnenschein and Dana Erikson were chosen offensive and defensive players respectively for the game played against Mitchell.

Sonnenschein scored the Governors' only touchdown, with Erikson as the Governors' chief threat to the Kernels' backfield.

* * * * *

Dennis Germann shared defensive honors with Charlie Walker as "Player of the Week." Germann was selected because he came in from his linebacker position to harrass the O'Gorman ball-carriers. Walker, playing tackle, intercepted an O'Gorman pass and ran it back for a touchdown.

Rich Adams was selected offensive player of the week for fine blocking from the end position and a fine catch on a pass which set up Pierre's second touchdown.

Arrows Squeeze By Governors

The Governors bowed to Watertown, 21-18, on Friday, Sept. 6. They failed to score any extra points, which was the margin needed for the Arrow's victory.

Thus Watertown upheld its reputation as a tough team and as the defending champions of the ESD.

A pass from Flannery to Adams set up Pierre's first scoring opportunity. G. Sonnenschein intercepted a pass and brought it to Watertown's five-yard line to set up the next chance to score. Flannery gained a total of 83 yards to lead the Pierre attack.

Flannery, Gurley, and Sherburne each scored once for the Governors.

Mr. Dott: How did you happen to take that stuff? Didn't you read the sign on the bottle? It said "Poison."

Mary: Yes, Sir, but I didn't believe it.

Mr. Dott: Why not?

Mary: Because right underneath there was a sign that said, "Lye!"

Faculty Selects Kiwanian

John Finke was selected by the faculty as this six week's Kiwanian.

The qualifications are that the student must be a senior and he must possess strong qualities in leadership. Preceding Finke as Kiwanian was Richard Saylor, who was chosen for this calling during the summer months.

The Rotarians and Zontians are chosen similarly except that the student must be a junior and possess qualities of leadership.

This year the junior class may have six Rotarians instead of four representing their class.

The rest of the candidates are chosen by the student council.

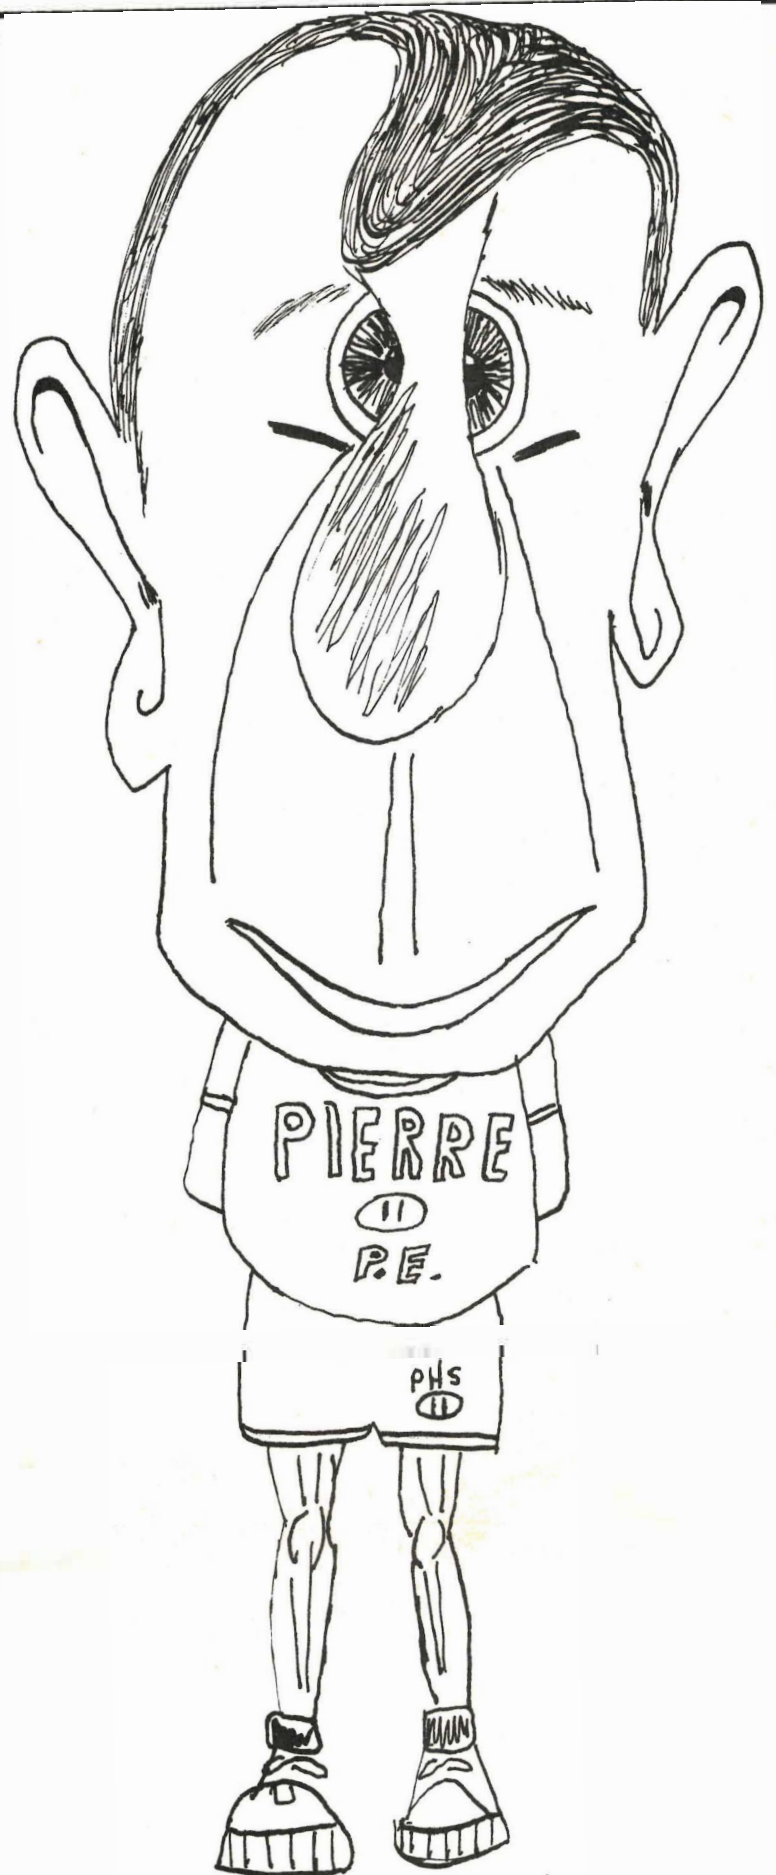

Class Officers Elected

This year nominees for class officers were selected by representatives. Two people chosen from each homeroom went to a meeting to select nominees for their class officers.

The Senior Class officers for the 1963-64 school year are: President, Wally Thomsen; Vice President, Zenas Gurley; Secretary, Mary Lou Metzinger; Treasurer, Judy Smith.

Junior Class: President, Paul Sherburne; Vice President, Linda Ridgeway; Secretary, Judy Hoffman; Treasurer, Byron Strom.

Sophomores: President, Buddy Cassell; Vice President, Dalene Moore; Secretary, Dorianne Snodgrass; Treasurer, Karla Von Wald.

Are You Physically FAT??

I don't care if there isn't any room in the parking lot!

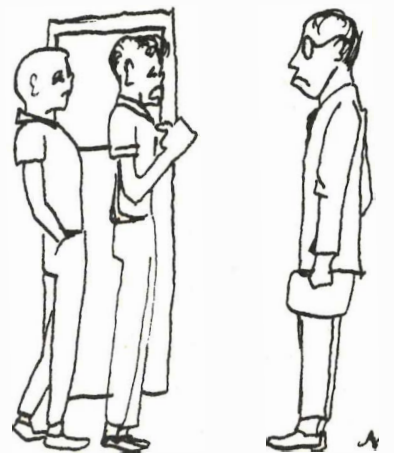

Parlet Rides at Fair

Clifford Parlett, a well-known custodian around Riggs High for the last five years, rode for the Oahe Drill Team September 6-7 at the South Dakota State Fair in Huron.

Parlett has been riding with the drill team since its origin about nine years ago. He not only rides with the drill team but has three horses in the team. Considered one of the best drill teams in the state, the group rode in the Grand Entry and did a special precision drill during the Fair's rodeo.

But sir, he hit me back first!

Pep Fest Spurs Victory

A pep fest spurred the Governors on to their first victory.

Friday afternoon, September 20, during the last period, the entire student body gathered in the gym and were introduced to the football squad by Coach Trautner. He presented certificates of award to the boys who have been chosen by the newly-formed Quarterback Club as most valuable offensive and defensive players of the week. Trautner encouraged everyone's attendance at the game, emphasizing the need for good moral support, particularly at home games.

The newly-formed Student Council was seated on the gym floor. As part of the program, Mr. Neiles administered the oath of office to the first semester members, making them fully aware of their responsibilities.

The assembly was brought to a close with the pep rally.

You say you have something for the Carnival?
