

Short Shorts

The Rush of '65 is on! Nancy Gilles, Pam Hubbard, Jane Loers, Mary Van Camp, Linda Ridgway, Carol Nelson, Sandy See, Peggy Carl, and Dorianne Snodgrass have been besieged since March 29, by student requests for Gumbos, which are still on sale for \$4.50 a piece.

"What's that smell?" "Oh, that awful smell. What is it?" These are a few comments that were made while Mr. Ruzick's class was making buttric acid in chemistry. Quite a few people weren't very popular after coming out of the chemistry class smelling like that.

Mr. Tom Woods, student teacher for Mr. Heer, discussed college life in Mr. Heer's senior homeroom on Monday, March 29. Mr. Woods is from South Dakota State University and discussed grades, credits, and classes.

McGOVERNORS OFFER SCHOLARSHIP

Senator and Mrs. McGovern are offering a cash scholarship of \$250 annually to a graduating senior in honor of the late President John F. Kennedy. Applicants are to send their application to the Senator telling of their scholarship record, extra curricular activities, and any achievements in Government, and their interest in public and international affairs.

SPEECH PROPS SOLD AT AUCTION

"Going once, going twice, sold for 25¢ to the man in the back row!" These were the words heard at the auction held on March 26 in room 103. Mrs. Ruzick, auctioneer, conducted the auction. Approximately 10 to 12 students and teachers attended the auction.

Items auctioned off were old discarded props used in demonstration speeches. Among the things sold were a bow and arrow, a train case, and a chain carved out of wood. "Bidding was poor", said the auctioneer, "so nothing sold for more than 25¢".

"GOVERNOR" WISHED HAPPY EASTER

Easter vacation will begin on Good Friday, April 15. Classes will resume on Tuesday, April 17. This is the first vacation of the second semester and the last one before school lets out on May 28, so enjoy it. The "Governor" staff wishes everyone a very happy Easter.

HOME EC NEWS

Mr. Richard Rice, Division of Child Welfare, talked to the F.H.A. chapter on social work. He said the field is wide open and that there are many different fields or branches of social work.

The Kuder Preference Test, taken at Riggs lately, showed that most people have a great sympathy for other people, which is a showing of social work ability.

Social work is mainly to help people to help themselves. Right now in the state of South Dakota there are 400 social workers.

Nancy Tobin, junior at Riggs, turned over her office of state secretary of F.H.A. to her successor, Susan Halse of Miller on March 2 at Wolsey.

All girls in all home economics classes voted March 30, for their choice for the Crisco Award. This award is given by the Crisco Company to a senior girl who is an outstanding home economics student.

The results will be kept secret and the winner will be announced and presented with the trophy award on May 19, Awards Night. Girls eligible for this award are Linda Barrett, Pat Brasel, Gloria Ellwanger, Eileen Frasier, Judy Hoffman, Peggy Schumacher, Lyssa Shadrack, and Mary Van Camp.

Quill and Scroll Initiates New Members

Ten senior and three junior girls were tagged during second period, Wednesday, March 24, as members of the Pierre Chapter of Quill and Scroll. The members had to be seniors or juniors, in the upper third of their class, and have done extensive work in some phase of journalism or school publications. They were chosen for work done on the Gumbo, Governor, or in creative writing.

Chosen were seniors: Xavia Arndt, Stephanie Clinton, Barbara Crance, Bar-

bara Forchtner, Suzanne Hickman, Jane Loers, Nancy Neiber, Linda Ridgway, Bonnie Stock, and Mary Van Camp. Juniors were Peggy Carl, Dorianne Snodgrass, and Jocelyn Quinn. These girls were recommended by Mrs. Myers, Governor advisor, Mrs. Bottom, Creative Writing instructor, and Mrs. Stewart, Gumbo advisor.

Parents were invited to a formal initiation and tea in the Home Economics room on Monday evening, March 29.

Madrigal Singers Add New Attraction

A new attraction was added to the Spring Concert this year. It was the Madrigal group which consists of four basses: Tom Noble, Howard Grinager, Tom Fargen, and Buddy Cassell. Four tenors: Jim Groff, Ron Walpole, Ron Boyd, and Rich Adams. There are four altos: Pam Hubbard, Pam Schumacher, Karen Hosman, and Charlene O'Neil. The sopranos are: Roberta Bartels, Cathy Gross, Mary Freeburg, and Mary Jassman. This group sang: She Is So Dear, by Praetorias; and When-Allen-A-Dale-Went-A-Hunting, by Piersall.

The choir sang five songs: He That Dwelleth, by Glarum; O Holy Lord, by Tschaikovsky; The Stars Are With The Voyager, by Bright; Sentimental Journey, by Green; and Moon River, by Mancini.

The Girls' Glee Club sang: Hear My Prayer, O Lord, by Arkhangelsky-Ehret; Nocturne, by Merry Carol Mastroleo; The River Sings A Song, by Gustav Klemm; and Yum Ticky Ticky Tum Tum, by Bob Merrill.

The Riggs High School Band played: First Suite in E Flat for Military Band, by Gustav Holst; La Mascarada, by Harold L. Walters; and Variation Overture, by Clifton Williams; also Americans We, by Henry Fillmore.

GOVERNOR

NHS Hosts Career Day April 21

Career Day will be held on Wednesday afternoon, April 21. It is held for the purpose of acquainting the students with different occupations that they might be interested in. There will be thirty-six different occupations represented this year. They are: dentistry, forestry, nursing, airline occupations, beauty operator, librarian, veterinarian, TV and radio, secretarial, social service, music, religious occupations, coaching, law enforcement, medicine, chemistry, commercial art, agriculture, business occupations, journalism and printing, banking and

insurance, engineering, public relations, medical technology, aeronautics, accounting, home economics, mental health, machine occupations, high school teaching, government service, law, pharmacy, elementary teaching, telephone occupations, and commercial drivers. Two sessions of approximately one hour each will be held in the afternoon. Students are required to attend both sessions.

The National Honor Society is in charge of arrangements for Career Day. Each member contacts one speaker and has the responsibility of meeting and introducing him or her to the students for each session.

Graduates Perform In Music Concerts

The Singing Engineers from South Dakota of Mines in Rapid City put out an hour's worth of entertainment for Riggs High School. The seventy-two singers were under the direction of Mr. Charles Thielen from Rapid City.

Three of the boys in the group are graduates of Riggs High School here in Pierre. John Waddell was in a small band of four. Paul Lundy played a saxophone solo. Another of the Pierre boys was Pat Quinney.

This fine group of singers really put some effort towards their singing and also looked as if they enjoyed singing.

Northern State College Concert Band, conducted by William Chaloner, presented a variety of musical arrangements at Riggs High auditorium March 31.

Among the members of the band were three Pierre graduates: Joanne Huebner, Bass Clarinet; Pamela Brown, Contrabass Clarinet; and Loren Palmer, Baritone.

Pantomime Wins In Talent Show

Riggs High Student Council held their first annual Senior High Talent Show Friday evening, April 2. Lynn Schmutz won the first prize of \$20. He did a pantomime of a drunk doctor in surgery. Joyce Crow Flys High from Stephan won the second prize of \$10 by doing a modern Indian dance; and Carol Kelly won the \$5 third prize by doing a modern acrobatic dance.

Suzanne Hickman presented the prizes. Dana Erickson and Bob Brown acted as the Masters of Ceremony.

Each homeroom was asked to sponsor one act and then the show was cut down to twenty-one acts, including everything from singing and dancing to pantomimes and tumbling.

Judges were Bob Emery, Pat Lessel-young, Larry Dirksen, Kerry Dilly, and Suzanne Comstock.

Musicians Receive Three Superiors

Over 200 music students left this morning to participate in the music contest in Mobridge. The band will perform the "First Suite in E Flat for Military Band" by Holst, "La Mascarada" by Walters, "Variation Overture" by Williams, at 10:15.

The madrigal group, consisting of sixteen voices, will sing "She Is So Dear" by Praetorias and "When-Alan-A-Dale-Went-A-Hunting" by Piersall. After the choir presents their program of "He That Dwelleth" by Glarum, "O Holy Lord" by Tschaikovsky, and "The Stars Are With The Voyager" by Bright at 2:28, the performers will hopefully return home with three firsts.

Mrs. Helen Spitzer conducts the vocal groups, and Mr. Norman Sampson the band.

Riggs High music department did themselves proud at the music contest at Mobridge last Friday. All groups entered came home with superior ratings.

Having 10 minutes to perform, the 89 voice choir sang three numbers and were given a superior rating. The senior high band was allowed 20 minutes to perform, played three numbers, and were also given a superior rating. The madrigal group, sixteen mixed voices, were given eight minutes to perform, sang two numbers and they, too, were given a superior rating. This group is a new addition to the competition this year.

RHS Wins First In Business Match

Riggs High commercial department came home from the first Business Skills Tournament at Rapid City with eight of the ten trophies awarded. The tournament was sponsored by the National School of Business of Rapid City.

Riggs High won a first place trophy for total points. Individual trophy winners were: English vocabulary, Bob Brown, first; Suzanne Hickman, third. Business English, Bonnie Stock, second. Typing I, Pam Kayser, third. Short-hand I, Linda Shonrock, second. Short-hand II, Pam Hubbard, first, Judy Peterson, second. Bookkeeping, Steve Cyr, third.

High school students from three states, Nebraska, Wyoming and South Dakota, participated.

Spanish Club Awards Prizes For Best Costumes

HUCKFELDT - FIRST
IN ORIGINALITY - Girl

PEHLER and NEUHARTH
FIRST IN ORIGINALITY - Boy

DENTON and ERICKSON
SPIRIT OF THE CLUB

The Spanish Club had a costume party March 27, in the Community Room of the Pierre National Bank.

Spanish Club members and their guests came dressed as pirates, Indians, hobos, cowboys, and even a Mrs. Munster.

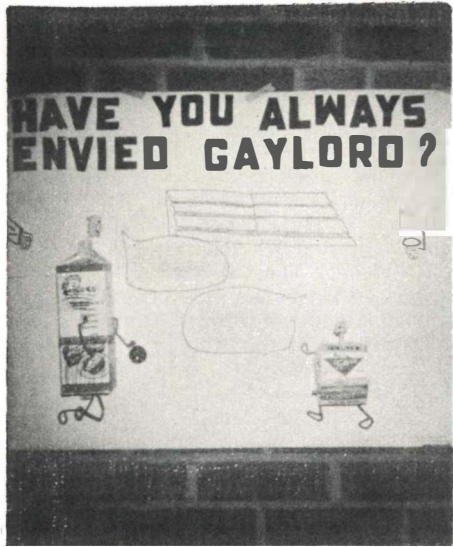

Prizes were given for originality. Pat Huckfeldt, who came as a skunk, and Fred Pehler and Janet Neuharth, who came as the song "Frankie and Johnny", won these prizes.

Prizes were also given for spirit of the club to Jill Denton and Dana Erickson who came as Mexicans.

Entertainment was provided by the Castaways, an instrumental group, and the Pastels, a girls' singing quartet, and Roger Curtis who pantomimed "The Leak".

Chaperones for this party were Mr. and Mrs. Miner.

Milk Survey Gets Impressive Results

Mrs. W. Iverson's Home Economics II girls make inspiring poster.

"Do you like milk?" was one of the many questions asked by Mrs. W. Iverson's Home Economics II class in a recent survey on nutrition. Miss Trish's consumer math classes compiled the results.

Results of the questions asked are as follows:

Do you eat at school at noon? 118 answered all the time, 57 most of the

Spring Election Favored

The choosing of a mayor in the spring, who will take over in the fall, is, in my opinion, a good idea.

In the spring, a junior boy or girl should be elected. Then in the fall, he or she can take office. I feel this would give the new mayor a chance to organize and prepare for the new office. The job of school mayor is one of importance and responsibility. Having to assume this job almost immediately would be very difficult. If this method of electing the mayor in the spring is used, the students will find their mayor a well-prepared and responsible person, one who is willing to work hard for the school and the students. The mayor, too will find he has had a chance to plan, and an opportunity to decide just what kind of mayor he or she will be and how he or she can best carry out the many duties of mayor.

Sophs Lead Honor Roll

The sophomores topped the honor roll for the third time this year. The forty-eight students represent twenty-two percent of the class. Thirty-one of these are girls.

The seniors are in second place with forty-one students which is approximately twenty-one per cent of the class. Twenty-six of these are girls.

The juniors, in last place are represented by eighteen students. This is approximately nine per cent of the class. Fourteen of these are girls.

The following students received a B or above in all of their academic courses for the nine weeks ending March 19th.

SENIORS: Xavia Arndt, Conrad Ballweg, Penne Bloom, Cynthia Bowers, Sandra Brew, Robert Brown, Stephanie Clinton, Cheryl Ensz, Dana Ericson, Gary Fleishacker, Barbara Forchtner, Eileen Frasier, Jean Grubbs, Wrenda Herther, Suzanne Hickman, Cheryl Hinsey, Judy Hoffman, Karen Hosman, Pamela Hubbard, Ronald Huber, Kathy Huckfeldt, Linda Iversen, Linda Johnson, Elizabeth Kelly, Ray Kelly, Jane Loers, Tom Maher, Robert Moore, Arthur Olsen, Jeffery Peterson, David Rivoire, Jack Robinson, Darrell Scherlie, Marcia Schumacher, Carl Schwenn, Sandra See, Kathy Specker, Bonnis Stock, Lyle Stuart, Maureen Suiter, and Elizabeth Ward.

JUNIORS: Mary Burkes, Peggy Carl, Stuart Cassell, James Douglas, Richard Finke, Wm. Flannery, Linda Hall, Dena Hedman, Gerry Misterek, Dalene Moore, Sharon Moser, Nina Neuhauser, Patricia Noble, Barbara Pyncheon, Betty Sletto, Lois Snow, Kathy Weisgram, and Judy Wulff.

SOPHOMORES: Bruce Bad Moccasin, Virginia Bartlett, Kathleen Beekley, Wm. Benesh, Brian Brown, Susan Brown, Lois Christianson, Eugene Collett, Bruce Crist, Gretchen Dirks, Linda Douglas, Lloyd Erikson, Ruth Fillmore, Mary Freeburg, Allen Garber, Steven Gerlach, Larry Hoffman, Mary Homeyer, Bruce Howard, Randy Hubbard, Paulette Huber, Elizabeth James, Robert Jeitz, David June, Suzanne Kjelland, Nancy Lamster, Emma Leebetter, Sharon Lehecka, Sharla McKay, Christine McKee, Paula Moore, Janet Peterson, Randy Riis, Lenora Rivoire, Sophie Roseth, Lana Severson, Richard Shangreux, Danna Slaathaugh, Mary Spilde, Barbara Stoneback, Ava Stout, Marilyn Sumption, Susan Thayer, Paulette Thompson, Raymond Tobin, Carol West, Alan Weaverstead, and Roy Wise.

time, 166 some of the time, and 196 never.

Do you like milk? 452 answered yes and 62 no.

Do you drink milk at school? 92 replied yes and 435 no.

Do you like the method of cards and punches as a payment for milk? 213 yes and 261 no.

Is there any other reason you have for not drinking milk at school? If you answered "yes" what is this reason? 118 yes and 451 no. Some of the reasons were:

"I don't eat there very often so why buy a card?"

"If you don't have a card you can't get milk."

"It costs too much."

"The inconvenient way of buying it could be improved."

Is there some other method of payment which would let you drink more milk? 212 voted yes and 191 no. Tokens? 103 yes and 167 no. Money? 212 yes and 121 no.

Home Ec. Hears Talk

Mr. Barrett of Barrett Construction Company in Pierre visited the girls in Home Economics II classes on March 31. The girls were studying a unit on kitchen planning and Mr. Barrett offered some advice and information on the subject. Many of the new and modern kitchens feature many new conveniences to aid the housewife. Some of the newest features are built-in appliances.

Pan-American Day Marked

"To understand each other we need only to know each other" a quotation of a writer in Buenos Aires in regard to Pan-American Day.

To take a definite step toward world peace, we must understand peace. The calmness, tranquillity and the spiritual content belong to peace.

Pan-American Day is a holiday that belongs to the two great Americas. The U. S., Mexico, Republics of Central and South America gave this young holiday its name. This holiday has reminded us of peace and that great need for friendship.

President Hoover asked that this day be observed with appropriate ceremonies in all the schools and that the flag be flown from all public buildings. The real Pan-American Day was April 14th, 1931 and since then it has been remembered.

This, however, was not the beginning of Pan-Americanism. The first Pan-American Conference of any importance was held in 1826 at Panama when the governments of both the Spanish colonies of South America and Central America were present at the meeting. The U. S. became involved in 1889, when all countries of the American Republics were represented. Then the Union became organized. This particular conference held in Washington, D. C., lasted for six months. James G. Blaine, who was then the Secretary of State of the U. S., was made chairman of the Union, which was called The Commercial Bureau of American Republics. Then in 1910 it was called Pan-American Union.

Easter Symbols Vary

Why do we have bunnies and eggs at Easter?

The bunny is really a hare and according to legends of far off Egypt, the hare is a symbol of the moon. The date of Easter, is determined by the moon. Some countries celebrated it as early as March. In 325 A. D. Constantine was uncertain of this date, so he had it settled in the presence of the Council of Nicea. The Council gave the decision that Easter should come on the first full moon and after the twenty-first of March.

As for Easter eggs, it is said that the egg is a symbol of new life and that probably is the reason they have significance at the commemoration of the Resurrection, and because Jesus resurrected into Heaven.

Scholarships Awarded

Another scholarship flyer was given to the seniors March 23, two of which were for music. The Halvorson Memorial Scholarship is for Northern State College in Aberdeen, and is for any student who plans to major in music. There are five scholarships of \$200 each available and are for all phases of music. Applications for this closed April -, 1965.

The other one is the Instrumental Music Scholarship, which is for Casper College in Casper, Wyoming. It is open to either music or non-music majors and provides both full and partial tuition and fees. Students will be accepted on the basis of audition and recommendation. There was no closing date given.

The other scholarship is one for \$250 cash and is offered by Senator and Mrs. McGovern in honor of the late President Kennedy. This scholarship is awarded annually to a graduating senior. All letters of applications should be sent to the Senator.

Noble Elected President

The Junior Art Club officers are president Patsy Noble; vice-president, Pam Fillmore; treasurer, John Denton; and secretary, Jean Myers. The members are Ruth Fillmore, Lin Miller, Barbara Weaver, Kay Hins, Len Allen, Rodney Austin, George Brasher, Patsy Keys, Eddie Ruchtarik, Donald Shaver, and Monica Iverson.

The club meets in the evenings every other week or sometimes every week.

Mrs. Alice Smith, biology and art teacher, advises the club. She also advises the Adult Art Club during the evenings every other week.

The purpose of the clubs is to engage the students in doing more artistic work.

Right now some of the art club members are working on the sets for the Spring play titled "Peter Pan". Other members are working with oil painting and other with water colors.

Club fees are 50¢.

Likeness Shows Greatness

A fantastic situation released by the Wiedenman, Inc., Madison, South Dakota goes like this: *Both of our Presidents, Lincoln and Kennedy were concerned with the issue of civil right. *Lincoln was elected in 1860; Kennedy was elected in 1960. *Both were slain on Friday and in the presence of their wives. *Their successors, both named Johnson, were southerners, Democrats and had previously served in the U. S. Senate. *Andrew Johnson was born in 1808; L. B. Johnson was born in 1908. *John Wilkes Booth was born in 1839; Lee Harvey Oswald was born in 1939. *Both Booth and Oswald were southerners favoring unpopular ideas. *Both Presidents' wives lost children through death while residing in the White House. *Lincoln's secretary, whose name was Kennedy, advised him not to go to the theatre; and President Kennedy's secretary, whose name was Lincoln, advised him not to go to Dallas.

The similarity between the two presidents goes to show, mainly, the greatness of the two Presidents.

Parent Conference Held

Parents of next year's senior high school students met with counselors and teachers at a parent conference in the study hall March 16.

The purpose of the conference was to help parents understand the course of study offered at Riggs and also the many extra-curricular activities available.

Teachers spoke on their own specific areas of teaching, telling specifically what each course offers. The parents in turn are now better able to help their children plan courses he or she will need in their chosen fields.

Betsy Kelly and Pam Hubbard told about clubs and organizations open to students. Bob Brown, student council president, introduced the speakers.

Governor Boe Conducts Conference

Governor Nils Boe conducted a press conference at the first Journalism Clinic at Stephan, South Dakota.

All students were invited to address questions to the Governor. He was asked questions on taxes, the raise in college tuition, what line of politics, national affairs, and questions on Governor Boe's bachelorhood.

At 11:00, Dr. George Phillips, the executive secretary of SDHSPA, discussed "How To Improve High School Publications".

A dinner was served buffet style in Augustine Hall.

At 1:00, there were two meetings: one on "Feature Writings and Interviews", by Mrs. Dorothy S. Cline, from Highmore High School. The other one was "Producing a Better Yearbook". At the talk about the yearbook, Gene Hunt, a representative of the Interscholastic Publishing Company, told that the most important thing in producing a yearbook is to first plan your work, then construct it.

At 2:00, there were two talks, one on "Newspaper Layout and Design" by Sister M. Dianne Henry, an instructor from St. Mary's High School at Richardton,

Sheffer's Sharings

900 Seniors
Will Graduate
BY CAROL

The play "South Pacific" is being presented at the Rapid City High School, according to the Pine Needle, their school paper.

The Lettermen, Capitol Recording stars will perform at Northern State College, according to the Exponent.

From the Minuteman, Douglas High School, we learn that the Student Council has voted unanimously to become a member of the Foster Parents, Inc. and will adopt a child to support for a year.

The Student Council at Central High School in Aberdeen sponsors an annual talent show called the Eaglean Follies.

The Wallace Rider Farrington High School in Honolulu, Hawaii, is making preparations to graduate 900 seniors. Ceremonies will be held in the Farrington amphitheater.

According to the exchange column of the Willmar Minnesota High School paper, the Jeffersonville Hyphen is sponsoring a "Mr. Ugly Man" contest. Rather than marking the ballots in the usual way, pennies are dropped in the box of the voter's favorite candidate.

From the Midland school paper we get these Daffy Definitions:

LOVE: Softening of the heartery.

COINCIDE: What most people do when it rains.

SYNONYM: Something you put on toast.

COAL: A purchase which not only goes to the buyer, but to the cellar.

DIETING: Penalty for exceeding the feed limit.

GINGER ALE: A drink that tastes like your foot feels when it goes to sleep.

MOUNTAIN CLIMBER: One who is good till the last drop.

Movie Presented

The movie "Distributive Education" was presented by Mrs. Emry, student teacher for Mrs. Carl's Job Preparation class, March 18. Distributive Education is a class offered by many schools to help those students who need help in choosing a career. This course offers on-the-job training for those students who are interested in a specific vocation. Experience and training may be offered in the following jobs: sales girls, state house employees, carpenters, bank clerks and receptionist - secretaries. These classes are usually held in the afternoon, and are graded on a similar basis in other courses offered.

North Dakota. Sister Dianne and three girls for the staff of their paper told that you should always be looking for new types of stories, be willing to try: floating nameplates, triple column stories, new designs, and always to plan your paper beforehand.

The other talk was called, "Sports Writing" by Dick Wood, the sports editor of The Daily Plainsman in Huron.

At 3:00, John Hipple, from The Daily Capital Journal in Pierre, gave points on how to get clear, well focused pictures from small cameras as well as large.

It was a very interesting day. The Pierre students that attended the clinic, met many students from the 33 schools invited.

The clinic left us with the great enthusiastic feeling for putting out a better school paper.

The students and supervisor that attended from Pierre were: Mrs. Myers, Sandy Phillips, Duane Purkapile, Linda Schwalm, and Dorianne Snodgrass.

While registering, we were given a card with our names and addresses typed on them.

Groff's Gossip

BY Jim Groff

Breaking a three-way tie, Wally Widboom's team became champions of the Sophomore Intramural Tournament. Top scorers for Widboom in the championship game were Don Huebner with nine points and Ron Klinger with eight points. In this game the champions made fifteen field goals and six out of eight free throws. Jim Harding's team got second in the tournament. Top scorers for them were Don Gardner with nine points and Jim Harding with six points. This team made nine field goals and eight out of fourteen free throws. Third place went to Greg Sherer's team. Top scorers were Jim Krosschell with eight points and Larry Randolph with seven points. They made 50% of their free throws.

Last place went to Bruce Howard's team. The top scorers for this team was Mike Welton with eight points. They made two out of seventeen free throws.

Pierre Admitted To ESD

If Pierre thought they had it rough before in sports, they'd better look again. Sioux Falls Washington High dropped out of the ESD, and Pierre received the honor of being voted in. The other schools that are in this conference at this time are Aberdeen, Watertown, Mitchell, Madison, Brookings, Huron, and Yankton. The ESD program consists of football, basketball, wrestling, and track. Pierre will not participate until 1966 because most of the schools will have to do rescheduling on their sports calendars.

The Governors will still try to compete against as many of the ESD schools as they can in 1965 although they will not be in the conference.

Pierre played Mitchell and Huron in football this last year and they have played Mitchell, Watertown and Huron in basketball; so the Governors have already gotten a little taste of the ESD, and the fine brand of sports that is played in this conference.

Pierre Joins Region Six

The Pierre track team is in a different region this year with different schools to compete against. They are now going to be participating in Region 6.

The schools which are in this region are all smaller than Pierre. They are Ft. Pierre, Mission, Cheyenne-Eagle Butte, Gregory, Winner, Chamberlain, and Pierre.

P.E. Classes Are Busy

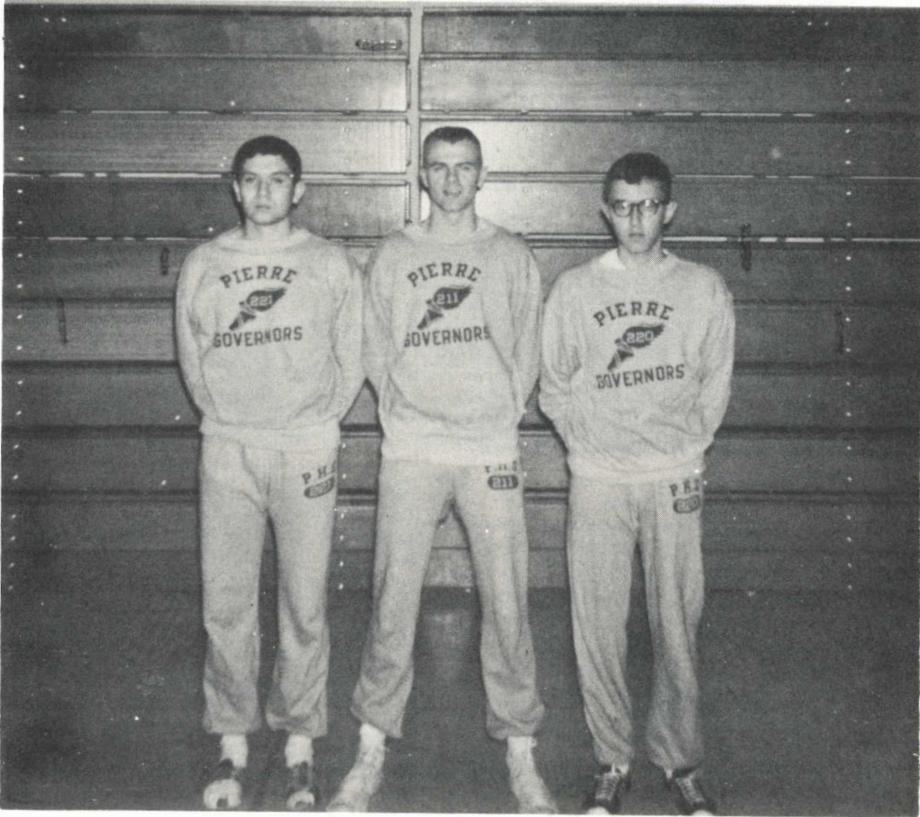

The boy's physical education classes under the direction of Mr. Phil Trautner have had a busy schedule this year.

Wrestling, basketball, football and volleyball are some of the sports that the boys have participated in this past school year.

They are now taking part in track and field events which include jumping hurdles, running relays and short distance races inside the gym. Mr. Trautner said that as soon as the weather clears up they are going outside and start running on the track.

The last two sports the boys are going to participate in are tennis and softball. These will last until the end of the school year.

Pierre Wins First Dual Track Meet

The Pierre Governors track squad hosted Redfield in a dual meet Saturday. Final scores in total points gave Pierre 114 1/2 points and Redfield 89 1/2 points. Both teams are getting shape for meets this Friday.

Pierre will host the Pierre Legion Relays, one of the oldest meets in the state. This meet has been held every year since 1924, except in 1952 when the flood made it impossible to have the track in shape.

Following are the results of last Saturday's meet:

Shot put: 1. Sonnenschein (P); 2. Stuart (P); 3. Walpole (P); 4. Myers (P); 5. Leiner (R), 50-3.
Discus: 1. Fallon (P); 2. Lindenkugel (P); 3. Stuart (P); 4. Siebracht (R); 5. Walpole (P), 131.08.
Pole vault: 1. Erikson (P); 2. Howe (P); 3. Finke (P); 4. Rae (R), 11ft.
High jump: 1. Stuart (P); 2. Walton (R); 3. Fallon (R); 4. Haroldson (P); 5. Meyers (R).
Broad jump: 1. Liebig (R); 2. Huber (P); 3. Gerlach (P); 4. D. Staudt (R); 5. P. Staudt (R); 18 ft. 11 in.
Two-mile relay: 1. Pierre (Jacobs, Hoffman, Brooks, Bad Moccasin); 2. Redfield, 8:49.3.

High hurdles: 1. Greeno (R); 2. Coulter (R); 3. Harlow (R); 4. Gerlach (P); 5. Neuharth (P). Time 16.6.
100-yard dash: 1. J. Davis (P); 2. Moffat (P); 3. Liebig (R); 4. Fritz (P); 5. Frost (P). :10.7.
Mile run: 1. Gates (R); 2. Fladaboe (P); 3. Osberg (P); 4. Powers (D); 5. Lewis (R); 4:48.7.
88-yard relay: 1. Redfield (Team members not listed); 2. Pierre, 1:37.1.
40-yard dash: 1. Benkston (R); 2. Olson (P); 3. Berg (R); 4. Ellwein (P); 5. Riter (P); :56.1.
140-yard low hurdles: 1. Greeno (R); 2. Coulter (R); 3. Harlow (R); 4. Dixon (P); 5. Galimore (P). :16.7.
Medley relay: 1. Pierre Moffat, Weaver, Huber, T. Brooks; 2. Redfield. Time 4:03.
880-yard run: 1. Gates (R); 2. Fladaboe (P); 3. Bad Moccasin (P); 4. Powers (R); 5. Wikholm (P). Time 2:09.
220-yard dash: 1. James (P); 2. Davis (P); 3. Liebig (R); 4. Frost (P); 5. Weaver (P). Time :24.1.
Mile relay: 1. Tie, Pierre team (Cassell Hoffman, Jacobs, Fritz). Redfield team members not listed. Time 3:43.
In the three freshmen events Rae of Redfield won the 100-yard dash in :11.1 while Pierre won the 440-yard relay in :49.3 and the half mile relay in 1:44.3.

Pierre will be hosting the Annual Legion Relays again this Friday, April 16. The Relays started in 1924, so it has had a span of 41 years since then.

Competing schools are classified according to their enrollment of boys. Class "A" schools are those with 135 or more boys. Class "B" schools have between 60 and 134 boys. Class "C" schools have less than 60 boys enrolled.

The eligibility for participation is set by the rules of the SDHSAA board of controls.

Competitors must wear a jersey with some distinctive insignia, letter, name to indicate school. Lack of such insignia may be grounds for disqualification.

No individual shall compete in more than 4 consecutive events.

The individual events are scored at 3 points for first place, 2 for second, and 1 for last. The relays are scored with 5 point to the winner, and 4,3,2,1 for the following respective winners.

Joe Dunmire from Lead will be one of the starters; the others will be from Pierre.

I quote from the pamphlet in which I received from Mr. Trautner, "Hollister Field gets better yearly; 6 new records in 1964 testify to that fact. Fast when dry, passable when wet. See you at Pierre on the 16th of April".

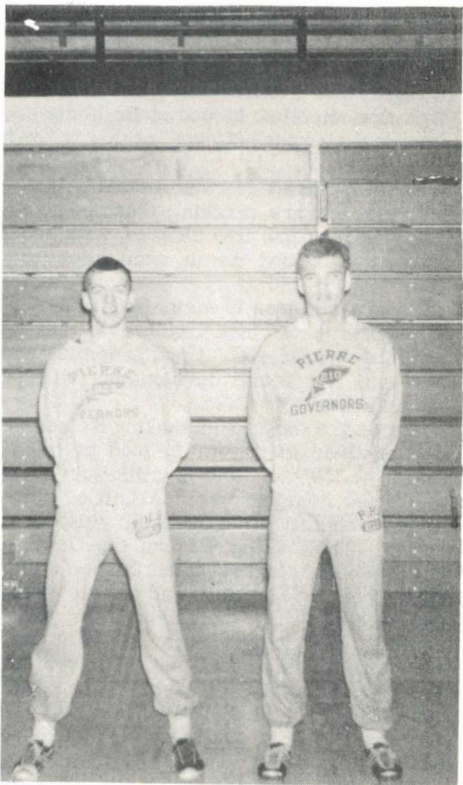

Records Broken in '64'

PHS ALL-TIME TRACK RECORDS

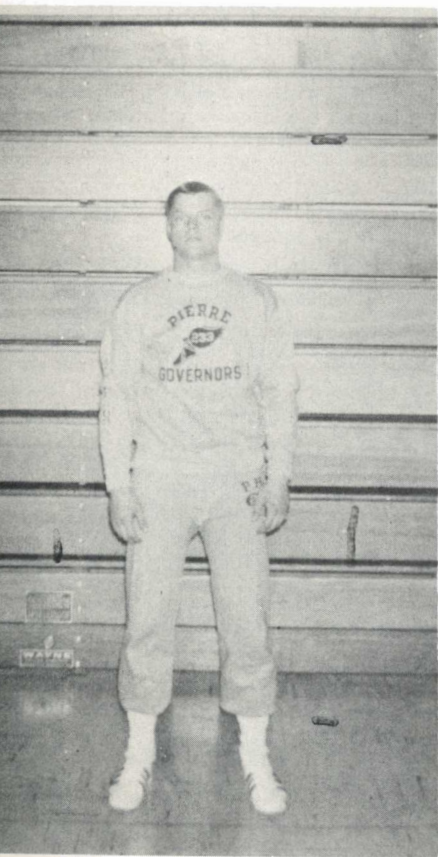

High Jump 6 - 1/8, Terry Woodward-1958

Sonnenschein Getting Ready For Annual Legion Relays

Planarian Exhibit Takes Top Honors

Brian Smith exhibits his project at the local Science Fair.

“Can A Planarian Learn?”, an entry by Brian Smith, won a first place ribbon at the local Science Fair, held in the Riggs study hall, March 20th.

Brian, whose interest in science is apparent, had the only entry from the senior high science classes.

His entry title was based on his study of earth worms.

First and second place winners will automatically be eligible to enter the Western South Dakota Science Fair at Rapid City Saturday, March 27, at the School of Mines and Technology.

There was 37 entries from the junior high school science classes and these are as follows in their certain classifications:

Biology: First place went to Tom Basham, eighth grader, with “The Effect of Ultraviolet Light on Paramecia”, followed by second place winner, Nancy Shaw, seventh grader, with “Animal Intelligence”. Honorable mention went to Greg Brown, eighth grader, with “How Temperature Affects Cocci Bacteria”. Honorable mention also went to Bill Eldridge, eighth grader, with “Bacteriology”.

Chemistry: First place went to Henry Mott, Jr., eighth grader, with the exhibit titled “The Ten Most Common Elements”. This included quartz, hematite, salt, baux-

ite, potassium, oxygen, hydrogen, epsom salts, and limestone. Second place went to Richard Victor, seventh grader, with “Solar Cells”. Bobby Vance won the honorable mention with his display of “Photography”.

Earth Science: First place went to Scott Fratzke, eighth grader, with his project titled, “Shell Fossils Around Pierre, South Dakota”. Gerald Berg, seventh grader, came in second place with “Petroleum by-products”. Miriam Boyle, seventh grader, received honorable mention with “Soil Erosion”.

Physics: First place went to Wayne Mayberry, seventh grader, with “Harmonograph”. Second place went to George Ledbetter, eighth grader, with “Topology: Geometry of Distortion”. Honorable mention went to Lon Hesla with “Tesla Coil”, and John Beekley, eighth grader, with “Solar Powered Radio”.

Other exhibits included, “South Dakota Crop Insect Pests and Their Control”, “Speech and Its Fundamentals”, “The Ear and How It Works”, “The Stages of the Chicken Egg”, “Anatomy of the Cow”, “The Eye”, “Nourishment and Vitamin Project of the Rabbit”, and “What Are The Diseases of the Heart?”.

Judges were Marvin Anderson, Irvin Schumacher, and Robert Miller.

Castaways Are Latest Student Dance Band

Who’s playing at the dance tonight? is a question asked very often. If it’s one of the groups from the high school, there’s only two possibilities, the Startells or the Pendulums. Although all of the members aren’t in high school, the majority of them are: Startells, Randy LeBeau, Lyle Stuart, Wayne McGruder, Marion McGruder and Gary Darland. The Pendulums are, Barry Owens, Dick Harding, Gary and Alan Fleishacker.

It takes a lot to get a band going and usually there are four members, each of equal importance, a bass man, a rhythm man, a lead man and a drummer. Some groups also have an extra man just to sing, although the fifth man isn’t an absolute necessity. It’s not wrong at all to have one of the guitar players sing or the drummer can sing as is the case in some groups.

The Castaways is a new five-man group consisting of, Terry Ree, Danny May, Jim McGannon, Alan Fleishacker who also drums for the Pendulums, and Charles Boldt, who won first place at the Junior High Talent Show on March 23rd. These jr. high students really had the crowd stomping their feet and asking for encores. The amazing thing about the Castaways is that they’re all junior high students in the ninth grade.

Having a band is a lot of fun, but it is also quite expensive as a halfway good guitar outfit would cost \$100. Three guitars would be needed so that would be \$300 for the guitar outfits; and about \$300. for a decent set of drums, it would be \$600 and \$50 for at least one good microphone, which would make it \$650. That is using cheap equipment but still it’s more than a drop in the bucket.

Lyceum Program Features Noted Memory Expert

Mr. William Wallace, an outstanding memory expert in America today, presented his memory works before the student body in a lyceum program February 26.

Mr. Wallace is an internationally known memory expert, having highlighted many radio and television programs. He proved his unusual powers through subtraction, addition and numeric association tests.

He has also memorized a 1300 page Montgomery Ward catalogue and can recall pictures, prices, and certain descriptions on every page.

Mr. Wallace appeared under the management of the Division of Supervised Study, State University of Fargo, North Dakota.

Student Teachers Acquire Professional Experience

“We’re being invaded” were the cries heard recently around Riggs High.

They can say that again! We’re being invaded by, of all things, PRACTICE TEACHERS.

Each student, at one time or another during the day, must have one of these invaders in their classes. Believe it or not, they’re human and if you don’t believe so, here are their life histories:

First we have Mr. George Adams, who is under the supervision of our (Riggs High) beloved biology teacher, Mr. Robinson. Mr. Adams is a graduate of Menville High School, Menville, Iowa. At Vermillion, he is majoring in botany and zoology (biology) and minoring in speech. When asked what he thought of Pierre and Riggs High, he replied that Pierre was a great place, and if given the opportunity, he would like to teach here. After his first day of school, he was very impressed by the “grown-up” manner in which the students conducted themselves. He also stated how fortunate the students of Riggs High were to have such a beautiful physical structure but more important the extremely competent professional staff.

Next there are three ladies who agreed on 90% of the questions asked. First Mrs. Bob Emry, who graduated from our own Riggs High. She is majoring in sociology and minoring in psychology at college. Next we have Miss Joan Kephart who is also a Riggs High grad. At college she is majoring in government and minoring in history and Spanish. Last, but not least, of these three ladies, is Miss Suzanne Comstock who is a graduate from Milbank High School. While at college, she is majoring in Spanish education, and minoring in German and geology. When these ladies were asked what they thought of Pierre and Riggs High, they all agreed that it was a very nice place and we had a nice group of students. Two of the ladies, Miss Comstock and Mrs. Emry were planning to live elsewhere, while Miss Kephart said Riggs was big enough to be a good school; but small enough to be real friendly. They all agreed on the first day of school, that they were very nervous, but seemed to recover after a while. Also they liked the classes and the teachers to which they had been assigned.

Mr. Dwight Eichelberg, who is a student teacher under Mrs. Alice Smith, our biology and art instructor, is from Northern State College. At college he is majoring in art education and minoring in German. He said he chose teaching as a career because he wanted to work with young people. He will be practice teaching here until May 27. Mr. Eichelberg graduated from Leola High School. His hobbies are art activities and summer sports such as water skiing and swimming. When he was asked for a personal comment about Riggs, he said, “Pierre should be proud of their students and the students should be proud of their school”.

Mr. Robert A. Emry, a student teacher with Mrs. Ruzick, speech teacher, is one of eleven practice teachers now at Riggs. Mr. Emry is attending the University of South Dakota. When asked why he picked teaching as a career he said, “It is my desire to do my part to make the classroom a happy, stimulating atmosphere where a student may be successful in his studies”. Mr. Emry’s major is speech and his minors are government and education. He graduated from Kadoka High School and now he and his wife and daughter live in Vermillion. His hobbies are conversation, hunting, and target shooting.

Tom Woods, who is attending South Dakota State University, is a student teacher under Mr. Heer. Mr. Woods is majoring in mathematics and minoring in science. He expects to be here another eight weeks. Mr. Woods is a former graduate of Pierre High School and he still lives in Pierre. His major hobby is sports. During his high school years he was a star of football and track. Mr. Woods says he picked teaching as a career because, “I expect to gain self-satisfaction by accepting the challenge of teaching”. He also says he hopes to gain a very worth-while experience from teaching.

Miss Karen Nale, from Pierre, has transferred from Vermillion to do nine wks. of practice teaching.

When Miss Nale was asked, “Why are you studying the profession of teaching?” she said, “I think I will enjoy it and have thought so since I was a junior here in Pierre”.

Another question, “Would you like to teach steadily at Riggs High, or some place larger?”, she answered, “I like the size of the school; a larger school would not afford the opportunity for personal contact with the students that Pierre does”.

She is majoring in government and minoring in history, French, and education at college.

Her first impression of Riggs High was “I was happy to be back, but confused by all the students I don’t know, and apprehensive about beginning to teach”.

Mrs. Mary McClure, who graduated from Milbank High School, is now living in Pierre.

Mrs. McClure majored in English and minored in government.

When Mrs. McClure was asked, “Would you like to teach steadily at Riggs High, or some place large?”, she replied, “I would like to teach at Riggs; the size permits a personalized student teacher relationship which is often not possible in larger high schools”.

Mrs. McClure’s hobbies or interests are reading and skiing.

“What was her first impression of our school?” A very efficiently run system; well-behaved students, helpful and fine faculty.

Miss Paula Reich likes to cook unusual dishes, sandpaper interesting shaped ham bones, and read modern poems, novels, and dramas.

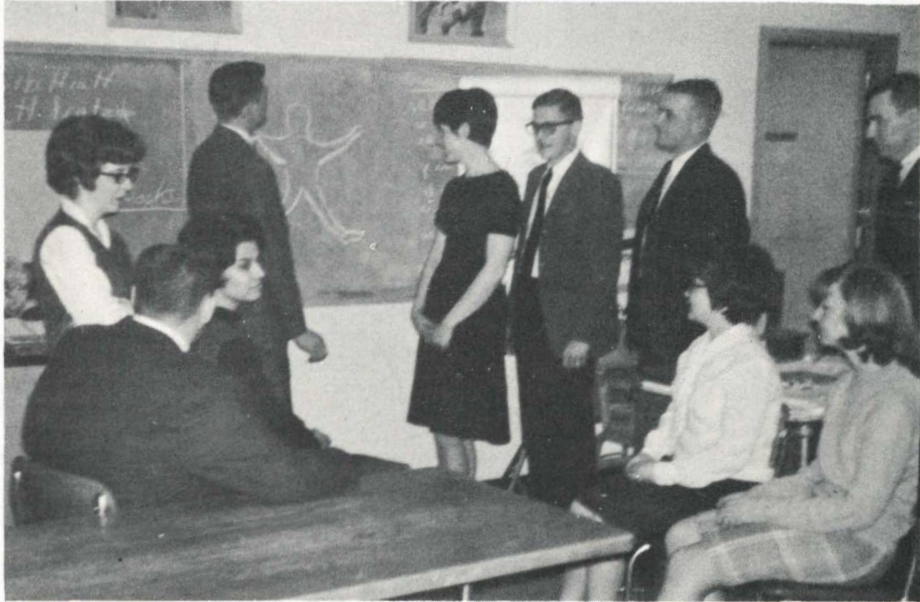

Miss Reich graduated from Webster High School, and is now attending Northern State at Aberdeen. She is majoring in speech and minoring in German.

Her first impression of school was “I was impressed with the friendly and polite student body”.

Miss Carole Walker is from Wall, South Dakota where she graduated from Wall High School. She is now attending Northern State, where she is majoring in English and social studies.

When Miss Walker was asked, “Why are you studying the profession of teaching?”, she replied, “I would like to be able to help students to find a deeper self-understanding and a more meaningful relationship to society”.

Another of the student teachers is Norman Alexander, teaching with Mr. Lonbaken. He expects to be here until the end of the school year. Mr. Alexander is attending Northern State College where he is majoring in social science and his minor is business education. He said he chose teaching as a career because “I like to work with young people”. Mr. Alexander’s home town is Garden City, South Dakota. He listed his favorite hobby as sports.

Admiring the artistic drawing of Mr. Dwight Eichelberg are: standing left to right: Karen Nale, Dwight Eichelberg, Paula Emry, Robert Emry, George Adams,

Norman Alexander, and Joan Kephart. Seated left to right: Tom Woods, Paula Reich, Carole Walker, and Suzanne Comstock.
