SNYDER AND GAMBREL REIGN OVER HOMECOMING ACTIVITIES

RAIN DAMPENS PARADE FLOATS

Pierre High students were seen Friday racing for a garage in which to park their floats during the many showers that lasted until approximately parade-time on October 29. The homecoming parade was able to start on schedule at 2:30, however.

The parade was led by Bill Robbins, Darlene Hurst and Ronnie Tyler as color guards. They were followed by the twirlers and the Senior High band.

The Queen's float was the first of a line of thirty-eight floats which showed a lot of work and planning by homerooms and organizations represented.

Local Declam Winners Chosen

The local Declam contest was held November 9 with Mrs. L. Wegner, Mrs. H. Urton, and Mrs. Alec Johnson acting as judges.

Joyce Kirley, being the only contestant in oratory, will go to the district with the three other winners. These are Ann Wilkinson, poetry; Helen Hyde, dramatic; and Nancy Ellis, humorous.

The district will be held in Highmore, this year, Thursday, November 18.

assembly activities

Highlights of the assembly Thursday, October 14th was the naming of the students elected by popular vote for Homecoming Marshall and Queen. Candidates for Marshall were: Jim Dalthorp, Richard Tunison, and Don Gambrel. Candidates for Queen were: Alice Bentley, Jane McEachron, Rae Eldridge, Nancy Ellis, Dody Snyder, and Pat Pashby.

Mr. Thompson installed the newly-elected student council. Jim Feeney, Mayor, presided over the assembly.

The assembly was opened with the flag salute led by Pat Pashby, and one verse of "America", played by Maureen Sorenson and directed by Mr. DeRoos.

The meeting was closed with the singing of the school song, led by Jill Spargur, accompanied by Maureen.

STUDENTS CHOSEN FOR B.P.W., KIWANIS

For outstanding ability in all activities, for scholastic ability, and for personality, James Dalthorp was chosen as Junior Kiwanian by the faculty, board of directors, and the student council.

For the same qualities Patricia Pashby and Phyllis Douglas were chosen as representatives for the Business and Professional Women's Club by the faculty and student council.

GUMBO STAFF GOES TO MEETING

Members of the GUMBO staff were guests of the Midwest Beach Company at their annual meeting in Aberdeen, October 22. The purpose of the conference was to instruct staffs and advisors of school yearbooks in proper make-up and preparations of annuals for printing.

Those representing the GUMBO staff were Jeri Linn, editor; Dody Snyder, assistant editor; Elizabeth Goetz, Junior High editor; and Pat Pashby, make-up editor. They were accompanied by the GUMBO advisor, Miss Betty Ausman.

The meeting opened with a luncheon held in the Alonzo Ward ballroom. Two students from Northern State Teacher's College provided excellent musical entertainment.

Immediately following luncheon the group was divided into two parts for discussion purposes.

P.-T.A. Sees Style Show

Parent-Teachers Association enjoyed a style show given by Miss Tisher's homemaking classes at their meeting Monday night.

Nancy Ellis was the style commentator and Mary Jean Gregerson played background music as each girl modeled the clothing she had made.

Deloris Snyder was crowned Queen of Minnehoshosho Day for 1948 on Thursday, October 28, at the annual pep meeting preceeding the Homecoming game. Alice Bentley and Pat Pashby were chosen as her attendants.

Preceeding the coronation, the band, under the direction of John DeRoos, played "Tea for Two" and "Embraceable You" while the candidates were preparing for the coronation.

Jim Feeney, mayor of PHS presented the Homecoming Marshall, "Dude" Gambrel with a gold sceptre signifying his royal office.

Dody and her attendants were escorted into the gym by the three runners up, Nancy Ellis, Rae Eldridge and Jane McEachron. Then came the big moment when Dody was crowned "Queen." As a sign of her royalty, "Dude" presented her a silver sceptre.

After the coronation the German Band played a few numbers, and a humorous radio skit entitled "Miss Information" was presented by Dude Gambrel, Jill Spargur, Ann Wilkinson, Lavonne Mickelson, Ena Aasen, Dick Hyde, Steve Tusa, Mr. Schooler, Nancy Ellis, Mary Pietrus, and Mary Lou Naughton.

The cheerleaders gave a few yells, and Coach Bethke pronounced a cheerful outlook on the homecoming game. Royal Van Camp, an alumnus of PHS, complimented the students on homecoming and wished them luck in the game. Ray Neuhauser also voiced his anticipations for the game.

After the pep meeting, the annual homecoming snake dance formed in front of Senior High, led by the twirlers, Senior High Band and the queen with her attendants.

It twisted along Capitol Avenue and back along Pleasant Drive to Hollister Field. At each intersection, yells were given.

The large bonfire was lit by Queen Deloris and yells were given by Nancy Hartwell, Marlene Marso, Noreen Paulson, Janet Forney and Sally Schliessmann, Junior High cheerleaders.

ORCHIDS and ONIONS

Thanks is due to everyone who helped make Homecoming a success. Even old man weather obliged long enough for a successful parade. Floats and stunts were bigger and better with everyone getting into the act. There was only one drawback to the whole affair. That was the spirit shown in the other parts of the Homecoming activities.

Shame on Senior High for their showing in the snake dance. Junior High far outdid us in the size of their line. This wasn't due to the enrollment of the schools, but to the large number of Senior High students that chose to watch rather than participate.

The same kind of attitude was shown at the dance after the game. It was not a "date dance" and it was announced by loud speaker during the parade that all high school girls would be admitted free. But not only did the girls fail to show up—so did the boys. Anyway about twenty couples "braved the storm" and patronized the Boys' Monogram Club. Pretty poor attitude to show after a very successful Homecoming. Cries of protest certainly would have gone up if no one would have bothered about a dance.

If this kind of spirit is going to prevail through out the school year, everything will be a flop. So let's think it over and get behind the high school activities 100%. This means subscribing to the high school paper and annual and doing your part in the organizations to which you belong.

As far as PEP goes, there should be orchids for everyone, for there has been plenty of that this year at the games. The problem is to keep it throughout the basketball season with lots of sportsmanship to go with it. PEP doesn't stop here, however. It takes in co-operation by students at pep meetings and in putting on stunts. There are a lot of pep meetings and games ahead, and PEP is everybody's job. When the cheerleaders tell you to "yell", YELL!

HALLOWE'EN

History shows that the main celebrations of Hallowe'en were purely Druidical. It was originally when all the spirits, both good and evil, were supposed to roam the earth. The Druids also celebrated their harvest festival about this time and many strange ceremonies were preformed.

It is a relic of early pagan belief, which Christians have changed into the Eve of All Saints. It, too, is almost directly descended from the ancient Roman festival in honor Roma, the goddess of fruit and gardens, who was usually honored about November 1.

Hallowe'en itself means "Holy Eve", but has come to mean anything but that in the last two or three decades. Many countries have nicknamed it "Nutcrack Night" and "Snapapple Night."

VACATION DAYS

Before long the family menu for the week will probably read something like this: Monday, cold turkey; Tuesday, turkey giblets; Wednesday, turkey sandwiches; Thursday, turkey soup; Friday, turkey hash. Yes, it's Thanksgiving time again, time for the feasting, but also time for all Americans to give thanks for this great nation of ours. It was to our shores that the Pilgrims came three centuries ago to find freedom and land for which they gave thanks on the first Thanksgiving Day.

Blue and Gold

Ours is a freedom founded on bloodshed, hardship, sacrifice, and patriotism, so strong that it has survived the severest tests. On November 11, we celebrate Armistice Day commemorating the end of World War I.

Armistice Day is a legal holiday in twenty-three states in America and is observed in others by the governor's proclamation. The day is marked by appropriate ceremonies including parades and campaigns for the relief of war veterans. This day was first set aside on November 11, 1918 when an armistice between allies and Germany was signed.

It is a day of great happiness, but also a day of thanksgiving to those who died that our peace and liberty might endure.

The Pierre High Governors have closed the most successful football season in recent years.

The Governors ended the season with five wins, two losses, and one tie and copped third place in the conference standings behind Miller and Ipswich.

The Pierre eleven opened the season with a 37 to 0 defeat of the Onida Warriors and closed with a thrilling 6 to 0 win over the previously once-beaten Mobridge team.

Twelve seniors will be lost to next year's team. They are fullback Dalthorp; halfbacks Pfothenhauer, Feeney, and Gambrel; and Corbett at quarterback. In the line, they will lose Pugh at center, Neuhauser, L. Peterson, and Olson at the tackles, Saffel and Stoesser at the guards, and Smith at end.

The season's record is as follows:

Pierre 37...	Onida	0
Pierre 13...	Huron	13
Pierre 18...	Winner	0

Greenclad Take Last Home Game

Jim Feeney, with less than a minute to go, broke loose on a 60 yard jaunt through the Tiger defense to score, thus giving the Governors a hard earned 6-0 victory over the Mobridge Tigers in the seasons finale.

The game was played in a cold, briskly blowing wind which hampered passing.

If not for costly fumbles by the Governors the score would have been more decisive.

The Pierre backs reeled off 303 yards rushing behind excellent line play. The strong Pierre line held the Tigers to 83 yards rushing.

The Pierre line literally tore the bigger Tiger forward wall apart to open holes for the Pierre backs.

PIERRE TRAMPLES GETTYSBURG

The Pierre Governors got back on the winning side of the ledger after two consecutive whitewashings with a 45 to 6 shellacking of the Gettysburg Battlers at Gettysburg on October 22.

The Governors started off early by scoring the first time they got their hands on the ball and then held the upper hand throughout the game.

Feeney went over for the first TD and Dalthorp's kick was good.

In the second quarter Dalthorp crashed over for the second touchdown and again kicked the point.

Late in the second quarter, Pierre again hit pay dirt, this time on a pass from Dalthorp to Dietrich. The try for extra point was good and the half ended with Pierre in front 21 to 0.

In the third quarter Feeney went over for the fourth TD. Dalthorp try for extra point was good but a penalty made him try it over from farther back, and this time it was blocked, the score read Pierre 27, Gettysburg 0.

Pierre scored again in the third quarter with Dalthorp throwing a touchdown pass to Feeney. The try for extra point failed and Pierre led 33 to 0.

Gettysburg then put together a drive and scored. The try for extra point was blocked and the score was now Pierre 33, Gettysburg 6.

The Regulars came back in to drive to their last touchdown with Feeney going over for his fourth TD. The

The Pierre Governors won their homecoming tilt with the Redfield Pheasants, 32 to 13. After the end of the first three quarters Pierre was on top by the scant margin of 14 to 13. From here the Governors took over in the last quarter to score three more touchdowns and win over the small, but scrappy Pheasants.

Pierre's first TD came on the fourth play of the game when Feeney passed to Robbins who, behind excellent blocking ran the ball across. The play covered 50 yards. Dalthorp's try for extra point was good and Pierre led 7 to 0.

In the second quarter the Governors scored again. With Redfield deep in their own territory, a bad pass from center rolled across the goal line and Don Dietrich fell on it for Pierre's second touchdown. Dalthorp's kick was again good and Pierre led the Pheasants 14 to 0. The half ended shortly.

In the second half the Pheasant's ace Welker got rolling behind excellent blocking by his teammates and Redfield scored their first touchdown on a 50 yard jaunt by Welker. The extra point was made and Redfield trailed by only 14 to 7.

Redfield again scored later on in the third quarter on a 60 yard drive. Welker again went over for his second TD. The try for extra point failed and Pierre led by only 14 to 13 as the quarter ended.

In the fourth quarter the governors got rolling behind the running of Feeney, Dalthorp and Pfothenhauer. Pierre's passing attack also started to click and it

try again failed. The score was 39 to 6 and Reserves went back in. They managed to score one more touchdown when Gambrel intercepted a pass and with good blocking ran the ball across for the last TD of the game. Extra point again failed and Pierre led 45 to 6.

rolled up precious yardage.

Feeney scored early in the quarter to climax a long drive by the Governors. The try for extra point was blocked and Pierre led 20 to 13.

Pierre's next TD came when they recovered a Redfield fumble and drove 70 yards to score. On a jump pass from Corbett, Dietrich scored his second touchdown by running the last 30 yds to pay dirt. The try for extra point failed and Pierre led the Pheasants 26 to 13.

Redfield's attempt to score with only three minutes to go, failed when Pierre recovered a fumble on their own 45-yard line and in three plays drove to pay dirt for the last time. Feeney went the last 50 yards on a jaunt down the sideline. The conversions failed and Pierre led 32 to 13. The game ended shortly after the next kickoff.

The Pierre team was playing heads-up ball as shown by the fact they recovered several costly fumbles by Redfield.

Standouts in the line were Dietrich and Robbins at end, Neuhauser and L. Peterson at tackles, Stoesser, Saffel, and Werckman at guards and Pugh at center. These men were in the thick of the battle most of the time. Also on defense Dalthorp, Feeney, and Pfothenhauer were thorns in the sides of the Redfield backs.

Approximately 525 persons attended the big Homecoming game under the lights. This attendance record is identical with last year's total.

Feeney Leads Governor Scores

Jim Feeney came back from a year of absence, due to a back injury, to lead the Governor scorers for 1948 with a total of 60 points.

MEET THE QUEEN

Our Queen of Minneshosho Day 1948, Deloris Snyder, better known to all of us as "Dody", said that the "Homecoming this year was the best ever. Even when it started to rain, I felt sure that everything would turn out all right, but after attending a very good game, I was thoroughly convinced that it was the happiest, most successful homecoming I have ever attended!"

Dody is being sent to Aberdeen as a candidate for "Snow Queen" sometime next month. She is being sponsored by the Junior Chamber of Commerce.

As assistant editor of the GUMBO, Dody hopes to help put out "the best GUMBO Pierre High has ever had." But Dody said that this cannot be done without the full co-operation of the GUMBO staff.

Being very active in music this year, Dody is a member of band and a capella choir. Music is considered one of her favorite pastimes!

IT IS ALL OVER NOW

School regained a slow but sure pace Monday morning after the recovery of Minneshosho Day for P.H.S.. Following the coronation of the queen and her two attendants, the snake dance wound its way through the streets of Pierre and ended up at the bonfire, which was lighted by the queen, and a short pep rally was held.

Rain does many other things besides cause pneumonia, especially on the day a certain high school had planned homecoming day to really leave an impression on the residents of Pierre with a highly decorated parade, showing the high spirits of the students. On the day of the parade it wasn't known until a few minutes before the set schedule, whether or not the parade was to be had. There was more than one hanging head and slack muscle during the undecided moments.

Talking It Over

With school choking the resistance out of us and filling us full of jelly beans of knowledge we turn to the corridor of "romance" and such happenings of life in Pierre High.

A SPECIAL BOUQUET

To Marilyn Gray, a senior in Pierre High, who has polio, but is well on her way to recovery. We all miss her and hope to see her around soon.

SALUTING THE BOYS

Something new has been added in the Industrial Art Classes. In the eighth grade, leather carving is being introduced. This work consists of making belts, purses, and bill folds. There will be a minimum of this work done in the advanced classes, too.

There has been some outstanding work done in wood-turning in Jr. Hl. Some beautiful lamps were finished by Roy King and James Thompson, Freshmen.

AUTO ANTIQUES

Has your old car fallen apart? Don't park it at the city dump. There's life in the old buggy yet!

Mr. White's auto mechanics have been taking motors apart, studying the operations of parts, and assembling them again. Bernie Stoesser and Leonard Winkler brought in an old car, which they have been working on and now have in operation. James Clicker and Gary Parsons are over hauling Jim's 1936 Chevy.

"Left and right and left and right!" Buelah mumbled under her breath, As she beat the bass drum almost to death. The football season once again was on hand. So on the march again, was the marching band. "Wish my band pants weren't so tight!"

"Left and right and left and right!" Mumbled Buelah, concentrating on the chore Of keeping in step with the rest of the band, Before the band leader went mad, but heaven Only knows Buelah wasn't responsible for her flat feet and pigeon toes. "I think my band pants are too tight!"

"Left and right and left and right!" Buelah mumbled as the band marched to their places at the game. And during the first quarter Buelah hid her face in shame Because the home team got excited and thought they make a touchdown--How dumb! They should have known what they thought was the ball rolling across the field, was Buelah's drum. During the half, when the band make a letter

MEET THE MARSHALL

KICKED AROUND

Do members of the football team lead a rough life? Well, I do not know about the other members but I know I do! No one ever thinks that I can get hurt, so they kick me around and don't really care where I land, just so its in the end zone with another member of our team on top of me. Yes, I always get to play the whole game, and I know they couldn't play without me but they still treat me like I wasn't even important. Then after the game is over they forget all about poor little me. They leave me lying out on the field all battered and bruised. They forget it was I who won the game for them.

Of course the coach likes me, because he knows that I'm in perfect shape. I'm always in training! But even the coach sometimes forgets that I would like a little recognition too.

But then, what can I expect? I'm only a little old football.

Talking It Over-cont'd.

CONGRATULATIONS

To Dody Snyder, Pat Pashby, and Alice Bentley, who made up the royal party for homecoming with marshall, Don Gambrel.

ORCHIDS

To our football team of '48, who have done a wonderful job. We're really proud of them.
