

ADULT EDUCATION PROGRAMS

The Board recognizes that education is a life-long process, and that it has an educational responsibility to the entire community. Accordingly, adult education courses will be provided to meet the needs of adults and out-of-school youth for basic education, general and academic education, occupational education, and development of special interests in various arts, crafts, and recreation.

The adult education program will be administered by the superintendent and will be supported by a combination of district funds, state and federal aid, and fees. Tuition charges will be as determined by the Board.
