CAPS February Newsletter

What happened in January

In January we learned how to make movies! Students were able to play with green screens! We learned how to make a movie creating a script, use green screen technology, and change the background using a computer. The students truly enjoyed this experiment and we hope to continue this in the future.

The Discovery Center came and worked on aviation with the students. They created airplanes to take home with them as well as paper helicopters.

We had two family nights during January and both were very exciting. We learned about being healthy and did a great performance for the Lady GOVS Basketball game. Thanks for all who attended these, we will have one more before the year is over.

February's Schedule

We are starting out the month with a full day of CAPS – Parent Teacher Conferences are February 5th -6th. We are going to have a full day of CAPS on the 5th with a movie and swimming. Our sign-up sheet is FULL!

We will also be creating valentines as one of our art projects. These may be more than just paper!

CAPS students will be participating in games, which works on their language arts and math skills. This will include StoryStarter Lego Kits, and Box Cars and One Eye Jack Games.

Students will be working on their Family Group activity, be looking for these during Parent Teacher Conferences.

P/T Conference Field Trip

WE ARE FULL! Students will need to bring a towel, swimming suit, and a sack lunch to school this day. **The time CAPS will run is from 8am to 5pm.** Make sure your child is not here before 8 and is picked up by 5. We will be going to the movie in the morning and swimming in the afternoon. If you have any questions please let me know! Thanks ☺

Up Coming Events

- February 5th – No School/CAPS Field Trip
- February 6th – No School/CAPS
- February 13th – GORT registration due
- February 17th – Sheltered Reality Practice from 4-6
