

CAPS January Newsletter

What happened in December

In December we stayed busy creating art projects about Winter Celebrations. This taught us about all different types of celebrations that people have in the winter. We will continue with this during the month of January. We also worked on our Family Groups and are working toward our community project.

Students also learned about making a circuit when the Discovery Center came and worked on LED lights during our early release Wednesday.

January's Schedule

In the Month of January, students will learn about how to stay fit, even when it's cold outside. We will be working with a kit called *Let's Move South Dakota*. This will also include a family night on Friday, January 23rd.

During our early release Wednesday, January 28th, the Discovery Center will be coming and talking about aviation and creating projects with the students.

In addition we will continue our art *Winter Celebrations*. Students will be looking at the celebration Kwanza, and the Chinese New Year.

Door Prizes/Drawings!

We will have two Family Nights in January! Our first family night will be on January 23rd. We will be doing activities from the *Move It South Dakota Kit* from the Discovery Center. We will have door prizes for the kids, and a couple of drawings for adults who attend!

Fitness Drumming

During CAPS and P.E. students will be using large exercise balls to do a drum activity. Students in CAPS are going to get an opportunity to drum during half time of the High School Boys Basketball Game on January 30th. Students and Parents are encouraged to come and support the Pierre Governors and perform at halftime!

Up Coming Events

January 5th – School/CAPS Resumes

January 13th – Sheltered Reality Practice from 4 - 6

January 19th – No School/CAPS

January 23rd – Family Night at Mck

January 28th – Early Release – CAPS from 12:30 – 5:30

School Office

**After 4 pm please call
(605)393-7987**

Burr...It is cold out there! At CAPS we have recess for ½ an hour. Please make sure your child is dressed for the weather! If you need help with this please let the school know!

Thanks ☺
