CAPS March Newsletter

What happened in February

Well Valentine's Day has come and gone. We had some fun in this month. We worked on our Family Groups, and looked at different service projects we can do throughout the community. Tomato faces are delicious! Our Harvest of the Month food was tomatoes; the students got to make tomato and cream cheese faces. We also had a visit for the Game Fish and Parks department. They brought in a bird show for the students on Friday! This was a great opportunity for students to get a hands-on experience with birds in South Dakota. Attached to this newsletter are some pictures from the bird show!

March's Schedule

Our Girl/Boy day was a big success! So we will continue this until the end of the year. Once a month students will be separated to do different activities that are more gender specific.

In March we will bring out our Green Screen and will create videos to view! Students will be creating scripts and using technology to create a video!

We will also be creating VOLCANOES! 2nd -5th Graders will be creating paper mache volcanoes and create a chemical reaction to make lava. Kindergarten and 1st graders will be creating a useful product and telling about it. At the end of the month, we will be having a mini science fair for all the CAPS kids. **Parents are welcome to attend!**

GOTR

Girls on the Run starts Tuesday, March 3rd and will run until Thursday, May 7th! Girls who have signed up to do this great program will be in this program from 3:15 – 4:30 Tuesday and Thursday during CAPS. We ask that you do not pick up your girl early from this program so that they get the most out of their participation. We also ask that the girls who are attending bring workout clothing and tennis shoes. If this is a hardship, let Mrs. Naasz know, there are scholarships available for these items.

Up Coming Events

Friday, March 13th – NO SCHOOL/NO CAPS

Friday, March 20th – NO SCHOOL/NO CAPS

Wednesday, March 25th – Early Release
CAPS from 12:30 – 5:30
